WHAT NOT TO BRING TO CAMP

Personal firearms or other firearms, ammunition, and bows are not allowed in camp: only those supplied by the Shooting Sports area are to be used. Sheath knives are not allowed at camp as well. Any such equipment brought to camp must be delivered to the Reservation Director when the unit checks-in. It will be returned when the unit checks out at the end of the week.

In addition, no pets of any kind or fireworks are allowed in camp. This is the policy of the Boy Scouts of America.

Finally we recommend that items such as radios, MP3 players, electronic games, and other electronic devices not be brought to camp. Summer camp is an outdoor experience, and these items are not appropriate to that experience.

No pets of any kind or fireworks are allowed in camp. This is BSA policy.

TIPS

Other than some basic items, different people and units will bring different items with them. A good exercise is to think about your perfect week at camp and bring items that you see in your mental picture. If you want to spend the week fishing don't forget to bring your rod and tackle box. To help you keep from forgetting those important items, we have a list on the previous page to help you with your packing.
